Fellowship Hall  
A light lunch will be served*

The Children of Christ the King Lutheran Church are busy preparing for the annual Christmas program. This year the children

are hosting a holiday luncheon following the 10:30 worship service. Bells will be ringing, children will be singing, and some musical instrumental solos have been prepared. Please bring your enthusiasm for this wonderful season as we celebrate the manifest of our Lord Jesus Christ.

Sally Walters, Stacy Heston, Susan Abby, and Barbara Ward have been busy with our youth in preparation for this celebration. Thank you to these ladies for their hard work growing disciples for Christ.

## **Confirmands Study the Apostle's Creed**

This year Mike Lueker is leading our weekly confirmation classes. The fall semester has focused on the

Apostle's Creed. Thirteen students are actively hearing the word through video, music, skits and games. Thank you Mike for your leadership and talent!
